A cartoon illustration of two dogs in a brown, textured environment that appears to be crumbling or falling apart. On the left, a large black dog with a white patch on its chest is running towards the right. It has wide, white eyes and an open mouth, looking shocked. On the right, a smaller tan and white dog is also running towards the right, with its hands raised in front of its face in a panic. It also has wide eyes and an open mouth. The background is a solid brown color with some dark, horizontal lines suggesting cracks or falling debris.

A cartoon illustration of a grey dog with large, white, wide-open eyes and an open mouth, looking down into a deep, dark brown hole. The dog is positioned in the lower-left foreground. In the background, at the bottom of the hole, a small, brown, furry creature is visible. Two speech bubbles are present: a large light blue one on the left and a smaller pink one on the right.
